

Morin Quality Policy

Morin Prides itself on being the top Independent Manufacturer of Roll- Formed architectural metal roof, wall and associated products while providing top quality performance in customer service.

To ensure this, Morin is committed to:

- Making the pursuit of quality excellence a top priority.
- Understanding and delivering to the needs of our customers.
- Reducing internal and external failures by continuously improving our level of quality control and service.
- Creating and maintaining a working environment for our employees that value their contribution to the team.
- Training and developing people, with an emphasis on creating a “right first time” attitude.
- Constantly striving to achieve the highest standards in all areas.
- Maintaining a Continuous Improvement Ethos.
- Morin will maintain company and departmental monitoring programmes to ensure compliance with its policy and objectives and targets programme in line with our strategic and operational plans.
- Morin is committed to comply with all legal and regulatory requirements.
- Morin is committed to ensuring compliance with 9001:2015 requirements.
